Subject: NEPA connection - Juneau access

Hi Becky,

This project:

Juneau Access Transportation Project, Klondike Gold Rush National Historic Park, Haines States Forest, City and Borough of Juneau, Haines Borough, Cities Haines and Skagway, AK
FHW-L40203-AK 92-091-FHW 2/23/2014 Curtis Draft Sup P

came up in a couple of meetings today. Jen Curtis (she's a NEPA person here in Anchorage) seemed a little surprised that a deadline for commenting was coming up all of a sudden (and I may not have that right even), but she mentioned that she would be working with you. In the role of technical assistance to NEPA regional lead, I just wanted to know: 1) if you need any help from me in coordinating or answering any questions, 2) if you would please annotate your technical assistance to the NEPA group on our assistance log on the shared drive. Thanks.
